We will have door prizes, drawings and most importantly opportunities for prayer and learning about the VBS programs. Register at seccyouth.com/vbs

At the website you will also be able to apply VBS funding for VBS 2022. **The deadlines for application and followup reports are firm** in order to provide the maximum funding possible to as many churches from our Children's evangelism fund! (If your church pre-registers for the VBS Training you qualify for \$100 extra vbs funding!)

New for this year, we will be creating private SECC VBS Facebook group to share ideas and resources, and also to hold regular Facebook live events to discuss the various aspects of VBS planning. We will provide the specific schedule and info at the VBS training on March 20th.
