

ADVENTURER CAMPOUT

Description

Welcome to the SECC Adventurer Campout 2022 at Hurkey Creek Campground! This event provides opportunity for the Adventurer families to broaden their experience and friendships. Don't miss out on a weekend of praise, worship, and fun activities for the whole family.

Theme: "A New Thing"

Taken from Isaiah 43:18-19, this theme speaks to the amazing things God is ready to do in your life as you step into the future. The world is still struggling with the worst global crises of our time, yet we will choose to be optimistic and focused on the God that is ready to do great things in the world through you!

Registration Onsite

The club director or secretary should go IMMEDIATELY to registration headquarters to register their club and confirm numbers.

ADVENTURER CAMPOUT

Arrival

The campsite will be open after 3pm Friday. Please make every effort to be all set up before the Sabbath begins Friday evening. Being ready for the Sabbath teaches obedience to God and makes a great beginning. If your whole club cannot be there early, send a few key people ahead to set up camp, including tents. With proper planning and preparation, any club in our conference should be able to arrive at the campsite before sundown. This would allow a bit of leisure time and avoid rushing into the Sabbath hours in a frantic race with the sun. If you must be late, please be considerate of those that may be in meetings or already asleep. No animals allowed.

Attendance

All clubs are encouraged to attend, even if you have limited equipment or experience. Please remember that this is an Adventurer Campout and only Adventurers and their families can attend.

Campsites

Hurkey Creek is primitive camping with no hook-ups. Campsites are located in the Group Camp Loops portion. Your camping spot will be assigned by your area coordinator who will check your campsite for safety throughout the weekend.

Each Adventurer Club will be allowed one RV at their campsite. If a family would like to camp in their RV, reservations need to be made with Hurkey Creek. Reservation fees are the responsibility of the family. Adventurer Family Camp fees of \$29 per person will still be charged by SECC Youth Ministries.

COVID Information

We wish to take proactive steps to keeping our Adventurers and adult staff safe and healthy while attending the SECC Adventurer Campout 2022. If you have flu symptoms and are not feeling well, please DO NOT come to Adventurer Campout.

- Masks are not required for this outdoor event and is up to the individual's preference to wear a mask or not. Please be respectful of each person's choice.
- It is recommended that Adventurer club food servers be masked and gloved. Pre-packaged food is encouraged where possible.
- Sanitize frequently.

Facilities

Water faucets will be available in camping areas. We will rent portable toilets. We suggest that you bring your own water or plenty of containers for carrying water from faucets to your campsite. The containers should be small enough to be carried by your Adventurers. We suggest gallon bottles or buckets.

ADVENTURER CAMPOUT

Fires

No open fires will be allowed. Each campsite must have a visible fire extinguisher near the cooking area and must have buckets of water and a blanket or gunnysack for firefighting. In case of fire, soak the blankets quickly and use them for smothering the flames.

Parking

Clubs will be allowed to park vehicles at their campsite. For safety reasons, we ask that vehicles not be moved for the duration of the event unless absolutely necessary. If it is determined that too many vehicles are at your campsite, you will be instructed where to park additional vehicles.

Pets

For liability reasons SECC Youth Ministries has a no pets allowed policy. Please leave your pets at home.

RVs

Each Adventurer Club will be allowed one RV at their campsite. If a family would like to camp in their RV, reservations need to be made with Hurkey Creek. Reservation fees are the responsibility of the family. Adventurer Family Camp fees of \$29 per person will still be charged by SECC Youth Ministries.

Sabbath

Sabbath School: Each club is responsible for its own lesson study. Larger clubs may want to have several classes since smaller groups are more productive. A good suggestion is to exchange teachers with clubs so that each club may have a guest teacher.

- Lunch: Your club may wish to invite, in advance, another club to join with you for a potluck. The menu can be prearranged with each club bringing part of the menu. Adults and children enjoy getting together and making new friends.
- Sabbath Afternoon: We would like to take advantage of being in nature. The activities will consist of different nature activities for families to do together like hiking, obstacle course, games, crafts, scavenger hunt, etc. Some activities will meet Award requirements.
- Saturday Evening: Family Time; time to socialize, have games and interact with each other and other clubs.

Seating

Tarps or other ground covers are advised. Seating will be divided down the middle with one side for blankets and one side for chairs. Clubs may not leave blankets or chairs to reserve their spots. Seating will be on a first come, first serve basis.

Trash

Although there are trash receptacles available, you will need to bring trash bags so you can bag trash and leave the area as clean as, or cleaner, than you found it.

Uniforms

Adventurers and leaders are encouraged to wear Class-A (dress) uniforms on Sabbath morning. Class-C (field) uniforms should be worn on Saturday afternoon and Sunday while participating in the activities.

Wash-up Station

As you make plans for your campsite, please include a wash-up station for your campers. Things run a lot smoother if people do not have to wash up in the kitchen area.
